Activating your account is easy.

Look what you can easily do using your online account:

CHECK YOUR BALANCES AND BENEFITS

Look up your plan's benefits and keep up to date on your deductible, coinsurance and out-of-pocket balance. Your balances are pulled in easily understandable charts.

MONITOR CLAIMS AND EXPLANATION OF BENEFITS STATEMENTS

Keep your claims and EOBs under one well-protected account. Track how much we pay for health care services and your part of the costs. Get emails and alerts as soon as your explanation of benefits statements are posted to your account.

SEARCH FOR DOCTORS, HOSPITALS AND SPECIALISTS

Save time choosing or changing your primary care provider. Look up doctors and places within your plan's network and see which are accepting new patients. Compare quality, office hours, hospital affiliations and other information.

COMPARE COSTS FOR HEALTH CARE SERVICES

Look up estimated costs for a wide range of health care services.* You'll be ready to talk with your doctor about options for affordable care.

Also compare real prescription costs based on your plan's deductible, coinsurance and copayment, if you have Blue Cross or Blue Care Network pharmacy coverage.

FIND PEACE OF MIND WITH QUALITY HOSPITAL CARE

Feel good knowing you're receiving the best of care. Find hospitals that meet national quality standards.

*Cost estimates for certain services are available for most non-Medicare members.

CARRY YOUR ID CARD SAFELY

Your Blue Cross or Blue Care Network ID card is always at your fingertips. If you need more plastic cards for family members on your plan, order them using your secured account.

STAY HEALTHY

Get online health and well-being resources and information, store your personal health record and track your goals in one location.

GET ANSWERS FAST WITH 24/7 PERSONAL SUPPORT

Ask MIBlue Virtual AssistantSM, an interactive, automated chat feature, to direct you on finding care, getting balances, choosing a doctor and more.

CHECK YOUR PRIOR AUTHORIZATIONS AND REFERRALS
