

**Albion College
Athletic Training Education Program
Hepatitis B Vaccine Waiver Form**

All athletic trainers, who have been identified as being at risk for exposure to blood or other potentially infectious materials, are offered the Hepatitis B vaccine. The three-stage vaccine is offered through the Albion College Health Services. The vaccine series for students under the age of 20 is \$ 45.00. The cost of the vaccine series for students over the age of 20 is \$90.00.

I understand that due to my occupational exposure to blood or other potentially infectious materials, I may be at risk of acquiring the Hepatitis B Virus (HBV). I wish to be vaccinated at this time at the above location.

I have been given the opportunity to be vaccinated. However, I decline the vaccine at this time. I understand that by declining this vaccine, I continue to be at risk of acquiring Hepatitis B, a serious disease. If in the future I continue to have occupational exposure to blood or other potentially infectious materials and I want to be vaccinated with the Hepatitis B vaccine, I can receive the vaccination series at the above expense through the location above.
