

# Join us for our French Cinema Festival

at Albion's Historic

**BOHM  
THEATRE**

To encourage our educational and cultural relationship with our *Sister Cities in France (Noisy-le-Roi and Bailly)*, we will be screening French Cinema and French-related films for the month of November.

For the past 20 years there have been over 600 persons traveling back and forth across the Atlantic from Albion to our Sister Cities, from children as young as 9 years old to senior citizens. Youth from Albion have traveled to France for school and other cultural experiences, and French children have come to Albion for school programs, piano competitions, basketball games, and summer camps. Exchanges of college-age young adults have also occurred for college/university experiences and programs and summer internships. While Albion families have acted as hosts for our visitors, we have come to know and care for each other as family, and we look forward to many more years of partnership.

## November Fridays & Saturdays
