Let our joy - ous praise be heard O - ver land and sea.
In the hearts of no - ble ^{ones} Ra - diant - ly sub - lime
Light our path - way far from home Through the dis - tant days

Of thy no - ble col - lege halls, of thy cam - pus fair
ALL ~~Men~~ who in thy col - lege halls learned thy pre - cepts rare
So we now our hom - age bring, breathe this fer - vent prayer

Sing we with glad - ness Here and ev - ery - where.
Let them sing praises to Al - ma ma - ter fair.
Fa - ther in heav - en Keep our Al - bion fair.

To be sung slowly and softly after last stanza

Fa - ther in heav - en Keep our Al - bion fair.
