Sexual Assault Services, Bronson Battle Creek**

**Local Sexual Assault Advocate (LSAA) Program at Albion College**

---

Sexual Assault Services (SAS), Bronson Battle Creek, sponsors a Local Sexual Assault Advocate (LSAA) Program at the College to supplement SAS services. The LSAA volunteers are members of the College community who have been trained to offer support, advocacy, information, and referrals exclusively to current Albion College faculty, staff, and students who are (a) survivors of sexual assault, or (b) attending to another community member who is a survivor. LSAA volunteers are trained to maintain confidentiality while they are acting in that capacity, except in instances that involve a threat of harm to any person. LSAA volunteers have access to spaces on campus that allow them to meet with survivors and others in a confidential setting.

**For urgent or emergency services, contact SAS directly 24/7: 888/383-2192.**

The following College community members are currently serving as LSAA volunteers. Their contact information and availability are listed below. **Please do NOT contact a former LSAA whose status is not active at this time. Please note: LSAA's are not available for spontaneous meetings.**
