

Mentoring Partnership Agreement

The PathFinder mentoring experience provides students an opportunity to be mentored by a faculty or staff member on topics ranging from purposeful work to time management to leadership theory to problem-solving (or anything else you can think of). The mentor and mentee will meet ideally 4-5 times during the semester to experience learning and to get the 70 points for Pathfinder.

NOTE: The completion of this agreement by the mentor and mentee counts as the first meeting.
