ABOUT CAREER DEVELOPMENT

The Office of Career Development offers support and services to all students and alumni in their personal career development process, helping them to identify career paths and to apply their liberal arts education at Albion and beyond. Professional Career Development staff work with students each step of the way, from their first year of self-exploration to their last year, assisting them in obtaining a job or gaining entrance to graduate school.

Internship/Job Search Assistance

The office assists students in their internship/job search by conducting mock interviews, resume/cover letter critiques, and individualized meetings to create internship/job searching strategies.

Graduate/Professional School

The office offers resources and individualized meetings to discuss graduate school programs, standardized tests, and admission requirements and timelines.

Career Advising and Counseling

The professional Career Development staff meets individually with students to help them through self-exploration of interests, values, personality, and strengths.

Programs

A variety of programs are offered throughout the academic year. Topics often include:

- Career Exploration
- Resume Writing/Interviewing Skills
- Networking
- Job Shadowing
- Alumni Mentoring
- Career Visions (CV) city trips
